- Power Cons. in Play / Std-By / Low Power Std By: *16 / 4.4 / < 4W*
- Weight incl. / excl. package in kg: *5.5 / 3.6*
- Set Size - W x D x H (mm): *380 x 260 x 93*
- Packaging - W x D x H (mm): *450 x 382 x 180*
- Equipment Supplied: *Aerial Cable, Mains cord, Batteries, SCART cable*

Product Highlights

- ***Digital Studio Picture Control***

Digital Studio Picture Control keeps checking the quality of your videotapes and reproduces the best possible picture performance. Philips' Digital Studio Picture Control optimises the playback quality. It measures the characteristics of the tape, adapts the resolution and reduces the picture noise.

- ***Turbo Timer***

Is Timer Programming complicated? No!
Is Timer Programming time consuming? No!
Just push the Turbo Timer button on the remote control. The display of your VCR asks you then for the start and end time as well as the programme's number. That´s it. Just a number of seconds.

- ***Easy Link***

Easy Link offers maximum convenience when it comes to installing a VCR. There's no need to wait endlessly for the tuning of all channels or to spend time re-sorting the presets in the right order. You just connect both VCR and TV with a Scart cable and plug the mains. That's all! On top of that features like Automatic On/Off switching of the TV when the VCR is used, Direct Record and automatic 16x9 switching make the daily life of the VCR user much easier.

- ***SMART Picture***

With this unique feature, you are now able to optimise the sharpness and colour, in playback, to your own preference.

- ***Multibrand TV Remote Control***

Should we say it? Our remote-controls can communicate with more than 190 different brands of TVs.
